

## Father's suit targets drug center

**BATAVIA, Ohio** — Jury selection begins today in a \$1 million lawsuit filed by a Miami Township man who said his son was abused at the Straight Inc. drug rehabilitation center. Robert Weaver filed suit in July, 1986 against Straight on behalf of his son, Eric, now 18. Weaver claims his son was subjected to verbal and physical abuse and denied sleep at the drug rehabilitation center in 1985. Straight closed its residential drug treatment center about two years ago.
