Dear Mr. and Mrs. Straight parents

It has come to my attention that clothes and/or other personal items are here at our facility that belong to Christine.

If you are interested in receiving these items, please contact me and I will send them to you through the mail on a C.O.D. basis or, if you prefer, you may pick them up at the reception desk.

If I have not heard from you by Friday, June 27, 1986, they will be donated to a local Goodwill organization.

Your prompt attention to this matter is appreciated.

Cordially yours,

Gil Stevens  
Associate Director, Administration
