

Accomplishment

--Rides Emotionally on successful program

--Relief from intensity and control of program

--Family and kid "back to normal"

--Sense of freedom

--Discipline erodes (Personal Change Tools and Time Use)

--Kid doesn't need "program and rules"

--Parents trust child too much because there is no trouble

Good Feelings Decline

--"Ride" runs out

--Bad feelings return

--Program doesn't seem to work for kid"

--Family enables by being too permissive and denies signs

--Feels like a druggie again
