

Program Fees

Treatment Fee

The treatment fee is \$19,500 for in-town families and \$22,500 for out-of-town families. A \$1000 nonrefundable assessment fee is included in the treatment fee. Treatment fees are \$2750 per month until paid in full. Food and host home fees are in addition to the treatment fees. Total treatment fees should be paid within 7 months for in-town families and 8 months for out-of-town families. Treatment fee payment arrangements may be made to compensate for insurance reimbursement. Treatment fee scholarships are available based on financial need. The \$1000 assessment fee and food and host home fees for one month are due at intake. No refunds will be made should a parent(s) pull their child from treatment. For families with Ohio Medicaid, treatment fees are covered in full.

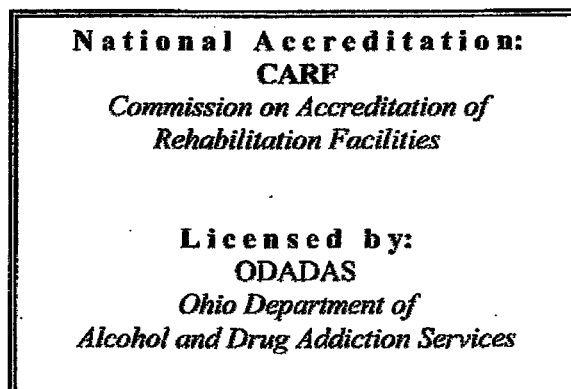

Food Fee

A monthly food fee is charged to cover meals and snacks your child eats at the program. The fee is payable at the beginning of each month. The monthly food fee schedule is based on a daily charge of \$6.00.

Host Home Fee

A monthly host home fee is charged when your child is in the home of another child. This fee is paid to the family who is providing the home during the first phase of treatment or at any time a home is provided. The host home fee schedule is based on a daily charge of \$5.00.

Interest of 1 1/2% per month will be charged on any late program fees.

No client or prospective client shall be discriminated against on the basis of race, color, religion, sex, or national origin
