discouraged depressed anger

Do I know what I'll happen in the future?

Do I know what staff thinks? would staff waste their time?

Do this truly? Do I ever feel happy?

I don't know what will happen, & God must not want me to know or powers. I don't know if I would play dumb games like that? I feel happy sometimes & so that totally flows away the all "or always happens to me"

A I got talked to in school.

B I should have related myself more.

It's being that I'm a weak link.

Low prof I screw up any way.

C disappointed I know what other people think of me?

scared embarrassed

Do I get screwed up all the time & will not ever make it?

E Nothing said that I had to relate myself to more maybe those are my expectations but I didn't. I don't read people's minds & know what they think of me, so what way? I am not a screw up I have the potential to make it just like everyone else. Y me
