PRINCETON SEMINARY AS A CHRISTIAN COMMUNITY

PREAMBLE

Princeton Theological Seminary is more than a school for the preparation of pastors and teachers of the Christian church. It is a community which undertakes to order its common life in accordance with the obedience of faith in Jesus Christ our Lord. Insofar as Jesus Christ is the norm and the guide of all that happens in the life of the community, it is possible to speak of Princeton Theological Seminary as a Christian community, and to commend the privileges and responsibilities of membership to successive generations of faculty, students and staff. Where Jesus Christ is the Lord of life, and is at work among those who live together in His service, the common life of all becomes the concern of each member of the community; and what happens to each member of the community belongs to the common life and the well-being of all.

I. IMPLICATIONS OF MEMBERSHIP IN THE PRINCETON SEMINARY COMMUNITY

Membership in the Christian community of Princeton Theological Seminary implies:

1. The willingness to be guided in all things by the mind of Jesus Christ our Lord.
2. The obligation to give every effort to the preservation and upbuilding of the unity and well-being of the common life.
3. A responsible concern for the freedom, rights and obligations of the other members of the community—faculty, students and staff—in all phases of Seminary life.

II. THE RESPONSIBILITY OF EACH INDIVIDUAL TO THE COMMUNITY

Each individual, by reason of his membership in this community, is responsible for every area of student life and activity. Thus, for instance, we do not conceive of the Administration and Faculty as over against the student body, but each member of the community is charged with a responsible concern for the conduct and the well-being of the group as a whole.

Our Campus Center, our dormitories, and our campus functions are the concrete expression of our common life only insofar as we make them such. Those barriers which tend to be associated with rooms, halls, dormitories, eating-tables, geographical areas, race, and theological orientation, should be eliminated. The community must be a reality, not only as a confession of faith, but also in conduct; not only in worship and prayer, but also in social life and leisure time. In such a community individual problems will not become ingrown or isolated, but they will become the concern of neighbors in the true Christian spirit of a mutual bearing of burdens. The way will at all times be left open for free discussion as an avenue to personal trust, and thereby to real community. On the other hand, community responsibility carries with it certain limitations of freedom out of regard for the rights, privileges and liberties of the other members of the group.

As a member of the Seminary Community each individual will determine his own conduct in accordance with the privileges and responsibilities of the common life, and he will consider himself obligated to assist every other member of the community in accordance with this commitment.

III. OUR ATTITUDE TO THE COMMUNITY

The dangers inherent in our system of living are self-evident, and are the concern of all of us. We must avoid the temptation to change our sense of responsibility into an attitude of judgment. The results of such a mistake are destructive rather than constructive.

We are our brother's keeper. This means that while we do not make our brother's life and doings a matter of idle curiosity and public notice, we do seek both to share his life and burdens and to correct attitudes, practices, happenings in the community which violate the norm of the community's life.

Experience has already shown that conferences between faculty members and individual students, or between students and fellow-students, or with the President or the Dean of the Seminary, have been fruitful in resolving problems. It is recommended that these procedures be even more frequently followed and that others be explored with a view to avoiding flagrant and persistent violations of the community life.

IV. SOME SPECIFIC AREAS WHICH TEST THE INTEGRITY OF THE SEMINARY AS A CHRISTIAN COMMUNITY

In accordance with these principles the students will exercise due responsibility toward:

1. Academic work—study, examinations, term papers, class attendance.
2. All-Seminary functions, such as the daily chapel service and other meetings which are officially sponsored.
3. Social life in the dormitories, the Campus Center, and on the campus.
4. The whole community, so as to keep it from breaking up into divisive groups.

V. DISCIPLINE IN THE COMMUNITY

It is to be hoped that such violations of the community commitments as may occur from time to time may be constructively disposed of by persons most directly concerned. Realizing, however, that any community agreements and structures could readily be abused by individuals or groups, the Seminary Community has adopted the following method of discipline:

1. Cases of flagrant and persistent violation of the community life on the part of students will be referred to a Student Committee on Discipline. This committee, consisting of five members—four from the Student Council and one from the student body at large—will be appointed for each year by the President of the Student Council with the approval of the President of the Seminary. Of these five members, there must be at least one representative of each class, and it is to be understood that no student shall serve on this committee for more than one year. The Chairman of this committee shall be designated by the President of the Student Council with the approval of the President of the Seminary.

If it is deemed advisable by the members of the Student Committee on Discipline that any of its members should not serve on any particular case before the Committee, the members in question shall withdraw from consideration of the case, and their tentative vacancies shall be filled by appointment of the President of the Student Council with the approval of the President of the Seminary.

2. The Student Committee on Discipline shall have the responsibility for receiving all cases of student discipline. In such cases as cannot be settled by the Student Committee on Discipline, matters shall be referred to a Judicial Committee, which shall be a joint committee of students and faculty, the student members of the Committee to be appointed by the President of the Student Council in consultation with the President of the Seminary who shall appoint the faculty member of the Committee. A new Judicial Committee will be constituted for each violation.

The Judicial Committee shall resolve all cases of discipline referred to it, subject to the approval of the President of the Seminary. Where such situations involve the possibility of dismissal from the Seminary, the Judicial Committee may make recommendations for the consideration of the President of the Seminary, it being understood that the power of enactment in such cases rests with him.

VI. AMENDMENTS

This document may be amended by a three-fourths vote of a quorum ($\frac{1}{4}$) of the student body with the approval of the faculty. Notification of this meeting shall be posted one week in advance.

ACADEMIC REQUIREMENTS

EXAMINATIONS

Examinations for those conditioned in or absent from the regular examinations with faculty permission are held on the second Saturday of the succeeding semester.

In the case of courses which are prerequisite for those given in the subsequent semester the examination shall be held some time during the first two weeks of the new semester, the student meantime being enrolled provisionally until he has satisfactorily completed the requirements for the prerequisite course.

Students desiring to have an examination postponed should present a written request to the Dean, indicating the reasons for postponement.

All student petitions regarding changes in the examination schedule or extension of time to complete course requirements must be in the Dean's office by 5:00 p.m. of the day on which classes end for the semester.

If because of illness or other highly unusual circumstances occurring after 5 p.m. on the last day of classes a student shall be prevented from taking a final examination, notice must be given to the professor or to an administrative officer before the time scheduled for the examination.

A student absent from a final exam without permission of the faculty will receive a grade of 5 unless his work for the term necessitates a grade of 6 (straight failure). If he passes the examination on the second Saturday of the new semester his record will bear the notation "passed" and he will be given credit for the course; otherwise his record shall bear the notation of a "failure."

All petitions which request an earlier date for final examinations than the date scheduled, for reasons of travel, will not be honored by the Committee. Only cases of emergency will be given favorable consideration.

INCOMPLETE COURSES

All requirements for courses must be turned in by the time the final examination for the course is scheduled.

A student is permitted to petition the faculty before the time of examination for an extension of time for writing a required paper. Such a petition should be presented to the Dean, giving reason for the delinquency. If the petition is granted, the delay shall be without prejudice to the student's grade.

A student whose work is incomplete in any course (without the permission of the faculty) at the time of the final examination in that course, may receive a grade of 5. The Professor shall have the option, however, of giving the unfinished items the grade of 6 and averaging the term grade accordingly. If the grade of 5 is given, the regulation governing the removal of the conditions shall be the same as those applying to final examinations.

GRADING SYSTEM

The group standing in a course is indicated as follows: 1—excellent; 2—good; 3—fair; 4—poor; 5—condition, whether because of performance in the course or an unexcused absence from the final examination; 6—failure.

Plus-grades and minus-grades are weighted as follows: a plus-grade represents superiority to the simple numerical grade of 0.3 of a point; a minus-grade, inferiority by the same amount. A plus or a minus may not appear with a 5 or a 6.

The group standing for the term is obtained by multiplying the hours per week by the point value of the grade, in the case of each subject, and dividing the sum of the products by the sum of the hours per week.

The limit for the First Group is 1.50; Second Group 2.30; Third Group 3.30; Fourth Group 4.00.

Students who fall below the Third Group for any two semesters must discontinue their studies at Princeton Theological Seminary.

DEGREES IN ABSENTIA

Students who are to receive degrees at Commencement are expected to attend the exercises. Petitions to receive the degrees in absentia should be presented to the Committee on Academic Standing, indicating the reasons for absence from the Commencement Exercises.

TRANSCRIPTS

A student or alumnus may request that a transcript of his

record be sent to a given address. There is no fee for the first transcript but a charge of one dollar is made for additional transcripts.

WITHDRAWING FROM THE SEMINARY

A student considering withdrawal from the Seminary must confer with the President.

DEPARTMENTS AND SERVICES

THE CHARLES G. REIGNER CHRISTIAN EDUCATION READING ROOM

The faculty, students and friends of Princeton Seminary have at their fingertips a growing collection of materials related to the field of Christian Education. In the Reigner Reading Room of the Education Building at 100 Stockton Street are kept a variety of periodicals, audio-visual materials, curriculum, books and pamphlets which cover many of the practical and theoretical aspects of Christian Education and general education. These materials are available for examination and use in the Reading Room and may be checked out overnight or over week-ends for use in field work responsibilities and study.

Books, pamphlets, periodicals, and pictures are free. There is a handling charge of twenty-five cents on audio-visual sets, and one dollar on equipment to provide funds for maintenance and replacement. Overdue materials and equipment incur reasonable fines. These fines are designed to encourage the return of materials promptly so that they will be available in the Reading Room for the use of others.

The Reading Room is open each week on the following schedule: Mon.—8:15-9:15 a.m., 7:00-9:00 p.m.; Tues.—1:30-5:00 p.m., 7:00-9:00 p.m.; Wed.—1:30-5:00 p.m.; Thurs.—1:30-5:00 p.m., 7:00-9:00 p.m.; Fri.—1:30-5:00 p.m., 7:00-9:00 p.m.; Sat.—9:00-11:45 a.m.

A student assistant is present whenever the room is open to check out materials, to give assistance in finding information and materials, and to demonstrate the operation of equipment on request. In addition, members of the Christian Education faculty are available for consultation on the use of these materials.

From time to time the Reading Room staff sponsors programs when special practical problems of Christian Education are discussed, often under the leadership of someone with considerable experience in the area under discussion. These programs are open to all who are interested.

ROBERT E. SPEER LIBRARY

Hours for the Speer Library from Monday to Friday are from 8 a.m. to 10 p.m. On Saturdays the hours are from 8 a.m. to 4 p.m. Vacation hours are from 9 a.m. to 5 p.m.; Saturdays 9 a.m. to 12 noon; closed legal holidays, December 24 and 31, and the Saturday before Labor Day.

A **warning bell** will be rung fifteen minutes before closing time and again at closing time immediately before the lights are turned off at the switch boards. Students are requested to leave the building promptly while the lights are still lit.

All books and briefcases will be inspected at the Circulation desk as students, professors, and visitors pass out of the library controls. The purpose of this inspection is to prevent errors in the charging of books.

The night book return is located at the left of the outer lobby of the main entrance to the building. Students may return books here when the library is closed. If the library is open, please return the books to the main circulation desk.

The coat room is located near the main entrance. Students may leave their coats, umbrellas, and briefcases here. Valuables may be checked at the circulation desk if desired.

The card catalogue is on the right side of the main entrance hall as one faces the Reading Room. Students and visitors are requested **not** to use the pull slides of the catalogue, but to take the catalogue trays to the consultation tables. Assistance in the use of the card catalogue may be obtained from the Reference Librarian, across the hall from the card catalogue, or from any member of the library staff.

The reference collection and the desk of the Reference Librarian are located on the left of the main lobby as one faces the main reading room. The Reference Librarian will be happy to assist everyone in the use of the catalogue, in the consultation of reference books and bibliographies, and in the preparation of bibliographies and term papers. A staff member may not regularly be scheduled for attendance at the reference desk every night; if the desk is not staffed, students are requested to make their request at the circulation desk, where assistance will be given if time permits.

Reserve books are placed in the stacks immediately outside the middle door of the main reading room. These books may be used anywhere in the building, but preferably should be read in the main reading room. Students are requested to take only **one** reserve book at a time, and to return it promptly to the shelves marked for returned reserve books. No more than two reserve books or reference commentaries may be borrowed for the night at 9:00 p.m. (or at 3:00 p.m. Saturday afternoon) and they must be returned to the circulation desk before 9:00 a.m. the next day the library opens. Charge cards for each book so borrowed must be filled out and left at the circulation desk when leaving the building. Please charge out books at the desk fifteen minutes before closing time. The fine for failure to return reserve books or reference commentaries on time is 25 cents for each book for each hour overdue..

Reference commentaries, in the stack row west of the Reserve Books, are to be used under the same conditions as reserve books.

Current periodicals are located at the south end of the main reading room. Approximately 300 periodicals are on display at this place. Periodicals which cannot be displayed for lack of room will be shelved in back of the main circulation desk, where students may ask for them. **Unbound periodicals**, except the most recent number, may be loaned to resident students for one week only and may not be renewed. **Bound periodicals** are in the stacks on the second floor, south of the main aisle. They should be used in the library building if at all possible. If they must be borrowed they may be taken out by local borrowers

for two weeks only and they may not be renewed.

The book stack has three levels. On each floor the main aisle will have all directional signs for the location of books on the floor. Pamphlets (marked Pamph. in the call number on the catalogue cards) are normally shelved in green boxes at the end of each classification section. Folios (except R and Z folios) are shelved in the basement, west end. Please do not reshelve books while browsing in the stacks; leave books on table tops or flat on shelves.

The carrell tables at the north and west ends of the stacks are free for all users of the library and will not be assigned to individuals. However, students may have assigned to them a shelf in the stacks near the carrells. They may then keep such books as they wish to retain in the library building on the assigned shelves and make use of any carrell table that happens to be free when they are in the library building. All library books kept on individually assigned shelves must be charged at the circulation desk. Books and periodicals not charged should be returned to the circulation desk promptly. Apply at the circulation desk for the assignment of shelves.

The graduate study room for all graduate students is located at the front of the building on the second floor. Shelf space will be assigned to each graduate student making request at the circulation desk. Graduate students may keep their books in the room on the assigned shelf and make use of any available space at the tables. All library books kept on assigned shelves must be charged at the circulation desk.

Seminar rooms will be assigned for periods each term to graduate classes making use of library material during class hours. The seminar rooms will be used exclusively for seminar purposes.

Private studies entered from the corridor of the gallery on the second floor will be reserved for visiting scholars who can devote full time to advanced research. Applications for their use should be made to the Librarian in writing.

The general lounge is on the second floor of the building. Here smoking in moderation is permitted. Lunches may not be eaten in the lounge; if it is impossible to go to the lunch room in Stuart Hall, please ask at the circulation desk for directions.

Typing rooms are located on the first floor of the building at both ends of the row of carrell tables at the rear of the building. On the second floor, typing rooms are at both ends of the row of carrell tables and also at the north end of the corridor opening into the seminar rooms. The typing room 216 at the south end of this corridor is reserved for Th.D. candidates. The students may keep their typewriters on the tables, or, if they will be absent several days, they may check their typewriters at the circulation desk.

Washrooms for the library are on the second floor off the corridor leading to the seminar rooms. In the classroom wing, washrooms are on the first floor on the north side of the lobby opening on Library Place.

Classrooms 201, 202, 203, and 205 are on the second floor on the Library Place side of the building. Students entering the building from Mercer Street may turn left in the outer lobby without entering the library proper and ascend the stairs to the classrooms.

A passage runs on the first floor from the Library Place lobby to the Mercer Street lobby. Students entering the Library Place entrance may use it to reach the library proper. It is expected that the more direct entrance to the library will have to be closed most of the time to prevent classroom noise from reaching the library.

A pay telephone is located on the first floor on the Mercer Street side between the main entrance and the stairs to the second floor classrooms.

Messages for students in the library will be received and posted on the bulletin board at the circulation desk. Students cannot be paged when incoming calls arrive except for genuine emergencies.

The arrangement of books for non-religious classes follows the Library of Congress system. The Library of Congress notation is also used for Church History, non-Christian religions, and most Biblical studies. For other religious books the library retains an old, simple scheme of classification that is easy for students to use. **A Summary of Classification** has been mimeographed and is available at the circulation desk of the library. The mimeographed guide to the **Location of Books** will help the students find their way to the shelves where the various groups of books are arranged. In each classification, books are ordinarily arranged alphabetically by author or editor; in a few instances they may be arranged alphabetically by the series to which they belong (especially in A-3b and in II-1.2), or by the title of the book if the author is not known. Biographies in II-2 are arranged alphabetically by the subject of the biography; when there are several biographies of the same individual, they are subarranged alphabetically by the author of the book.

The bookstacks are open to all students. However, students are requested not to replace books on the shelves after they have taken them down for inspection. Books should be placed flat on empty shelves, ledges or tables. However, books in reference collections should be reshelfed immediately after use.

The procedure for borrowing books is to obtain the book from the stacks, fill out a charge card and present both card and book at the circulation desk. Be sure to fill in on the charge card the full call number (copied from the inside of the front cover of the book), the author, title (copied from the title page), and sign your name and address. The attendant will stamp in the back of the book the date when the book is to be returned to the library. If a book is not found in its proper place on the shelf, please inquire at the circulation desk. The attendant will report to you if the book is charged out and will ask you to fill out an application for the book. You will then be notified by mail when the book has been returned to the library.

Please charge out books fifteen minutes before closing time.

Most books, including new books, circulate for a period of two weeks. Books which do not circulate are reference books, books in the rare book room and in some collections, some expensive sets, many old folios, and current periodicals. Bound periodicals may be borrowed for two weeks by students living in the immediate vicinity of Princeton and may not be renewed. Reserve books are to be used in the building when the library

is open; they may be borrowed when the library is closed for the night and should be returned before 9:00 a.m. on the following morning.

Students are invited to help protect all library books from being defaced or from being marred by writing and underlining.

Fines are charged at the rate of five cents a day for overdue books from the general collection not returned to the desk at closing time on the date due. Reserve books, and other over-night books, due at 9:00 a.m., are charged for at the rate of twenty-five cents for each book for each hour overdue.

The university library may be used by students of the Seminary after signing a registration card at the Circulation Desk of that Library. They may then take out any books which other borrowers are permitted to take out, except periodicals and Dixon books. Any books borrowed must be used locally, only, so that they may be immediately available for University use. Any change of address or telephone number must be reported to the Circulation Desk at the University Library.

THEOLOGICAL BOOK AGENCY

The Theological Book Agency, which is located in the basement of Stuart Hall, is open for business every afternoon, Monday through Friday, throughout the academic year from 1:30-4:30. A representative selection of theological books is kept in stock, and orders will be taken for any book in print, published in this country or abroad. New books, both theological and general, are sold at reduced prices.

CAMPUS CENTER

The Campus Center, with its dining rooms, auditorium, snack bar, lounges, guest bedrooms, and rooms for Faculty conferences, Student Council and group meetings, is a focal point for Seminary life. Its policies are determined by a Joint Campus Social Committee, a representative body made up of students and members of the Faculty and Administration. The authority in carrying out the policies in relation to the building also rests with this committee.

Because the Campus Center is a decisive factor in creating on the campus the spirit of Christian community, students are urged to avail themselves fully of the opportunities for corporate life in the dining room, lounge, and recreation areas.

Reservations for rooms in which meetings are held are arranged through the office of Mr. Pfautch. Available rooms are the Stevenson Lounge, Alumni Room, the Student Council Room, and the Auditorium. It is the policy of the committee to keep the main lounge as a fellowship center. For preservation of both the rugs and the furniture, it is requested that the furniture not be moved. Guest rooms and offices are obtained through the Treasurer's Office. The use of the small dining room and the veranda for teas or dinners must also be arranged through the Treasurer's Office.

Announcements in the dining room are made by students chosen by the Campus Center Committee. Announcements to be made must be written out in full and given to the student in charge. These announcements must pertain to the student body and may be edited by the officiating student.

The following dress is expected in the dining room. For all breakfasts, lunches, the Friday evening meal, and all week-end meals except Sunday noon and evenings, the dress will be informal. For evening meals Monday through Friday, and Sunday dinner and supper, the dress will be formal. It is requested that students use the coat racks provided in the foyer.

COUNSELING SERVICES

Faculty Advisers

Every B.D., M.R.E., and special student is assigned to a faculty adviser at the beginning of the academic year. Wherever possible, some point of contact is taken into consideration in relating adviser and advisee. This relationship extends over the first year only. Advisers will be on hand to counsel with students at the time of registration. They will be available to the student for counsel on personal, financial, and academic matters. The office hours of advisers have been posted for student convenience.

Director of Graduate Studies

Graduate special or degree students are assigned advisers under the supervision of the Director of Graduate Studies. All graduate students working on a degree program pursue their programs of study under the supervision of faculty members designated by the Director. The Director is available at certain times for counsel on matters pertaining to graduate studies.

Director of Student Studies

The Director of Student Studies is available for counsel on matters pertaining to program of studies, academic problems, remedial reading, and other concerns of an academic nature. The office of the Director of Studies is an advisory service aimed to personalize the curriculum and to improve the academic work of the student.

Administrative Staff

Every student should feel free to confer with any member of the faculty or administration at any time. Students are invited to make appointments with the President, the Dean, the Registrar, the staff of Field Service, the Treasurer, and the Assistant to the President on academic, financial and personal problems.

The Office of Housing and Employment may be consulted about apartments and remunerative work.

Medical and Psychiatric Consultation

Every student is urged to go at once to the Infirmary in case of illness. Women students who are seriously ill and may need hospitalization should call the Dean or the Treasurer who will call Dr. Willard G. Rainey to make the necessary arrangements. Dr. L. E. Reik, Psychiatrist, of the University Health Department, whose office is in the Infirmary, may be consulted by students who need his services.

Personal Counseling for Students

Students may consult Dr. James Lapsley, Counselor to Students, for pastoral counseling or for referral to professional sources outside the Seminary. Dr. Lapsley's office is in 115 Hodge Hall. Office hours are Tuesday and Friday, 2:00-4:00, and by appointment.

FOREIGN STUDENT ADVISERS

Foreign Student Advisers

The Dean is the advisor to foreign students. Mr. Athialy P. Saphir and Mr. Henry Bucher are designated to assist students from abroad. Foreign students who are juniors are assigned to a faculty adviser according to the Adviser-Advisee plan. Those who are candidates for graduate studies or degrees will be assigned to an advisor by the Director of Graduate Studies, Professor Lefferts A. Loetscher.

THE SECRETARY OF THE SEMINARY

Through the office of the Secretary of the Seminary the ties are continued with the more than five thousand alumni in the United States and overseas. By area gatherings, visits of administration and faculty, and an expanded program of continuing education, the Seminary seeks to extend the associations of graduates with this campus. An alumni journal links those serving in fifty states and sixty countries with Princeton.

The Secretary of the Seminary is available to alumni desirous of changing the sphere or form of their work. He also

assists in the development of programs for more extensive continued study.

As a service to seniors and graduate students, the office is available to relate them to ministries in parish, chaplaincy, and teaching. Church committees seeking pastors are counseled regarding the nature of the Christian ministry, and assistance is given them in the calling of a pastor, associate, assistant or director of Christian Education. Churches of the Middle Atlantic states use the office to secure occasional pulpit supply.

FIELD EDUCATION

Field education is the means of learning through actual experience under qualified supervision. In preparing for the ministry, field education involves the application of the theological insights and subject matter of the classroom to the daily, personal relationships and situations in which the minister works.

In field education students serve as pastors, preachers, church assistants, assistants and observers in Christian education, and as chaplains and trainees in clinics and hospitals. This training is supervised on the field and is planned to provide each student with a diversified experience and graduated responsibilities. Most positions in field education offer remuneration.

The program is directed by the Department of Field Education. The Department is under the general supervision of an inter-departmental committee of the faculty which determines policy and consults with the Department about its procedures. The Director of Field Education has responsibility for placing, arranging supervision, and observing student progress on the field. The Department also makes arrangements for summer positions in field education and places and supervises interns.

B.D. Requirements

In addition to the academic requirements, two units of field education credit are required of all B.D. candidates for graduation. This requirement may be met in the following ways: two semesters of field education during the academic year, one summer of full time field education, or a year of internship under supervision. The Director of Field Education must approve every position before it is undertaken, and field education credit will be given only after completion of the student's term of service and evaluation of the experience by the Director, and consultation with the field supervisor and the student.

At the time of matriculation, every B.D. candidate shall complete a form which will serve as his permanent record in field education. During the registration period each semester he must submit a report of his field activity. In addition, he is required to list in these reports any other employment, beyond field education, in which he has been engaged during the academic year.

Care is taken that neither field education or other employment shall interfere with the student's course of study and the maintenance of a satisfactory academic record. Any student who is found to be in serious academic difficulty may be required to relinquish his field education position. If a student must spend an unusually large amount of time in field education, he

may be required by the Faculty to extend his course of study beyond three years.

M.R.E. Requirements

In addition to the academic requirements for the M.R.E. degree, three units of field education credit are required for graduation. In the summer between the first and second years, supervised field work in the parish or in other situations is undertaken (one field work unit). In the second year, one field work unit is given for each semester of field education, in which the student is engaged in the local parish as an apprentice to a director of Christian education (one semester) and in planning, executing, and evaluating a leadership education program in local churches (one semester). Additional field observation is required in connection with the M.R.E. courses on Curriculum and Method and the Behavioral Foundations of Christian Education, where there are field visits, seminars, workshops, and personal supervision.

STUDENT EMPLOYMENT

All students desiring various types of part time employment should contact the Student Director, Gary Greth, at 113 Hodge Hall.

FELLOWSHIPS

Regulations governing the granting of Fellowships and Prizes are set forth in the Catalogue. A Senior Fellowship thesis may receive four semester hours of credit, even though the thesis may not have won the award, provided it is satisfactory to the professors concerned.

MEDICAL CARE

By arrangement with Princeton University our men have the same medical care as University students. This care is provided at the Isabella McCosh Infirmary on the east side of the University campus, just off Washington Road.

In case of illness the student should report immediately to the Infirmary, or if unable to do so, notify a physician at the Infirmary. Dispensary hours are 9 a.m.-11 a.m., 2 p.m.-5 p.m. Monday through Friday; 9 a.m.-11 a.m. Saturdays; 10 a.m.-11 a.m. Sundays and holidays. Emergency cases will be received at any hour of the day or night. All students should notify the office of the President or the Dean in the event of illness.

Women students are eligible for dispensary service at the same hour as men, and, if hospitalization is required the Infirmary will send them to Princeton Hospital.

When a student is confined to the Infirmary less than one week no charge is made for board. When he is in the Infirmary one week or more a charge is made at the rate of approximately \$16.50 per week from the time he entered the Infirmary. Similar rates apply to women students confined to Princeton Hospital.

If special nurses are required they will be procured at the direction of the Medical Staff and controlled by the Infirmary and an extra charge will be made to the patient. A charge for special nursing is made for all contagious diseases. When one nurse takes care of more than two patients isolated for the same disease the nursing charges will be pro-rated. X-rays and

special drugs will also be billed to the student.

The physicians at the Infirmary will give advice in reference to dentists, oculists, etc., when requested.

MARRIED STUDENTS' HOUSING

Because of the limited facilities in Seminary housing, most of the married students and their families live in apartments in and around Princeton. All inquiries concerning married student housing, whether Seminary or off-campus, should be made to Ralph E. Lamar, Director of the Office of Housing for Married Students, located at 113 Hodge Hall.

AUTOMOBILES

All members of the Seminary family are required to register their cars. Blanks for this purpose are distributed at registration and may be obtained subsequently at the Receptionist's Desk in the Administration Building. A car sticker is given only to those who live on the Campus which entitles them to use the Seminary parking lots. These stickers may be secured at the Office of the Superintendent of Grounds and Buildings, 100 Hodge Hall. Students who live off campus and drive to classes are requested to use either the parking lot behind the Speer Library or the one behind the Power House—for daytime use only. In the event that one needs to be on the Campus for an hour or two, please park on a nearby street. Students residing on the Tennent Campus will park behind Tennent Hall. Students who live in Alexander, Brown, or Hodge Halls are to use the parking lot behind the Power House and not the Library parking lot at any time.

There will be no night parking on the Campus for any reason because of fire rules. One may park on the Campus roads for loading or unloading only for the time necessary to do so. **(Please be brief.)**

Some areas are reserved for special parking. Please respect those areas. Cars can not be washed, cleaned or waxed on any of the campus roads. Use the parking lots for this purpose. The use of a hose on any Seminary water tap is not allowed.

The parking regulations are in effect the entire year including holidays and vacations, and will be strictly enforced. Violators will have their cars towed away at their expense. In the case of anyone owning more than one car, the Seminary provides parking space for only one car per student.

TELEPHONES

Students desiring the installation of a telephone in Seminary rooms or apartments must obtain an application in Room 100, Hodge Hall.

ATHLETIC PROGRAM

The athletic program is designed to provide recreational opportunities for all members of the student body. Under the supervision of a student director, John D. Dennis, and an athletic committee, it provides for dormitory competition in touch football, basketball, and softball.

The facilities of the gymnasium are available to all students at times designated by the student director. Keys may be ob-

tained from dormitory representatives.

THE SWIMMING POOL

The swimming pool, while not an official athletic facility of the Seminary, is open during the summer to all persons in the campus community, on a seasonal membership arrangement. Non-members are invited to swim for an individual admission fee through Commencement Day and after Labor Day.

MIMEOGRAPH MACHINE

A mimeograph machine is available for use by all members of the student-body in the basement lounge in Stuart Hall. Any maintenance problem should be reported immediately to the Chairman of the Publicity Committee.

LOST AND FOUND

The Treasurer's Office provides a Lost and Found service for the Seminary community.

SMOKING REGULATIONS

Smoking regulations vary for the different campus buildings. Students are reminded that smoking is not permitted in the Speer Library except in lounges where smoking permission is posted. Nor is smoking permitted in any part of Stuart Hall with the exception of the basement lounge.

EVENTS AND ACTIVITIES

CHOIRS

Five organized choirs present opportunities for members of the Seminary family to take part in musical programs, and contribute to the enrichment of worship at the Seminary.

The Seminary Touring Male Chorus sings for one morning Chapel service each week and in three or four churches each Sunday during the academic year. The past summer the choir's sixteenth annual tour covered thirteen northern states, western Canada and Alaska. This choir is open to all male students, regardless of class.

The Recording Choir is composed of former members of the Touring Male Chorus. It has produced an eighteen-anthem LP record (RCA #LPM 1903) and has recorded a stereo record for RCA that will be released soon.

The Motet Choir, under the direction of Mrs. Harsanyi, sings each week for a Chapel service and makes an occasional out-of-town appearance.

The Tuesday Morning Chapel Choir, directed by James McKeever, Seminary voice teacher, is open to all Seminary men who are not members of the Touring Male Chorus.

The Oratorio Choir, rehearsing each Monday evening at 7:15, is open to all members of the Seminary family. It performs one oratorio each semester. The presentations for 1961-1962 are listed in the calendar.

Pianos are available in Miller Chapel, the Campus Center and several dormitories. Permission to use these instruments for private practice must be secured from the Director of Music. Qualified students may arrange for limited practice on the Chapel organ.

CHAPEL

Members of the Seminary family meet for corporate worship in Miller Chapel on Tuesday, Wednesday, Thursday and Friday morning from 10:00 to 10:20 o'clock. The service is led by Professors, Seniors and Graduate Students, and from time to time by special guests.

Evening prayer is held Monday through Thursday each week, 10:00 to 10:15 o'clock and is conducted by members of the student body.

THE SACRAMENT OF HOLY COMMUNION

The Seminary family unites in the Sacrament of Holy Communion at the beginning of each semester, on the Day of Prayer, and at the Baccalaureate Service. The Sacrament is also observed at all retreats.

KOINONIA

Composed of faculty members, and of students who are working towards the degree of Doctor of Theology, Koinonia is a group which meets to share knowledge across departmental lines. At its meetings, to which graduate and undergraduate guests may be invited, papers are read and discussed, and research results of general interest are presented by either prominent guests or members of the group. Koinonia meets once a month on Thursday and seeks to provide fellowship and intellectual stimulation. For exact date and place of meetings consult bulletin boards and the Seminarian, or call the secretary, Gerald L. Borchert, at WA 1-2179.

STUDENT ASSOCIATION

Every regularly enrolled student shall be considered a member of the Student Association of the Seminary.

SEMINARY WIVES' FELLOWSHIP

The SWF strives to create true friendship among the wives, to stimulate and further spiritual and intellectual growth, and to be of service to its members, the Seminary campus, and the community. The SWF meets as a group six times a year and is divided into eight circles which meet monthly. The exact date and place of meetings are indicated in the Seminary and SWF publications.
