Members of the Clearwater Garden Club worked for three days to make Christmas arrangements for the VA Medical Center at Bay Pines.

The members made 500 Christmas tray favors, 110 dining table centerpieces and 15 large hall arrangements.

Sending Christmas greenery and decorations to the center has been a club project at least since 1956, according to Jean Gordon, and probably began 38 years ago shortly after the club's organization.

This year's project chairman was Audrey Roberts. She was assisted by Norma Musgrove, Mae Keck, Eunice Lips and other members.

The Clearwater Jaycees and the K mart store at Belcher Road and Gulf-to-Bay Boulevard sponsored their second annual Christmas shopping spree for 20 needy children in the Clearwater area.

The K mart store gave each child \$20 to spend on Christmas gifts for his family. The Clearwater Jaycees helped the children, who were in kindergarten through fifth grade with their shopping.

Pupils at St. Cecelia's Interparochial School in Clearwater donated toys for the children of migrant workers and baby clothes and supplies to the Kimberly Homes.

Many of the children and members of the faculty also visited nursing homes in the area over the holidays.

Clients of Straight Inc., a drug and alcohol treatment center for adolescents and their families, donated toys and clothing to children under the supervision of the state Department of Health and Rehabilitative Services.

Parents at Straight donated soap, batteries, candy and other toiletries to military personnel in Saudi Arabia.

Staff at Straight donated canned goods and other non-perishable items to the Religious Community Services Food Pantry.

Honeywell sponsored a Christmas carnival for 1,000 children from the exceptional children's program of the Pinellas County School System.

The carnival was held at the company's facility at U.S. 19 N and Ulmerton Road.

Honeywell has sponsored the carnival for 22 years. The carnival is financed through the company employees' associations with an additional \$2,000 donation from Honeywell.

More than 100 Honeywell retirees and volunteers worked on the project.

The staff of Bobby Byrd Real Estate, with the help of Sandy Davis at Everybody's Tabernacle in Clearwater, adopted a family for Christmas.

The family received a Christmas dinner and gifts of toys and clothing.

Bobby Byrd sales associates also donated toys and clothing for other homeless families living at Everybody's Tabernacle.
